SEPTEMBER 11-12, 2015

Dear Dove Hunt Friends,

As I know many of you have heard we lost our dear friend, Jack Northrup to cancer in May. Jack worked over 43 years along with Jack Bishop to establish the One-Arm Dove Hunt as one of the oldest and largest upper extremity support groups. With the passing of our "2" one-arm Jacks, the "One Arm Dove Hunt" was laid to rest... but because Olney, Texas & it's citizens wished to continue with this wonderful event, a group of people who have worked with the Dove Hunt for many years have decided to continue with this great tradition. As said earlier... the name may have changed, but the tradition will Live On!

The **1st Annual Olney Amputee Dove Hunt** will take place on **September 11-12, 2015**. Be sure to bring your entire family, your friends and guests as this two-day event will be filled with fun & laughter... and will feature numerous competitive events... all geared so that **Everyone Can Participate**.
